

Project 4P is an MS Power Point exercise. You are to create a Power Point Presentation of "Your Hobby". You may use your Office 2010 as a guide, but **my lecture will provide all the data and information needed to complete the project.** You should take notes on the presented data. If you miss class it will be your responsibility to secure the notes from one of you team partners.

You must do the following:

	Commands - points = 150 total	
1	Acquire 20 pictures of your Hobby – you get to choose the pictures that will be presented. They must be PG-13. One picture per slide.	
2	Create a title and ending slide (slide total = 22, minimum)	
3	Acquire an MP3 song of 3 minutes or more,(your choice, PG13)	
4	Place the song in the presentation and time it to the slides	
5	Animation and Music must be on each slide. This project will be activated by pressing one button and will run itself for the entire process.	
6	Name of file should be your lastname_project4p	
7	Print a copy with 6 slides per page, and provide to me on the day of the presentation.	
8	Footers must be on each slide
